MEET THE TEAM

EDITORIAL DESK

Dear Readers,

As a proud student of Krishna's Vikash Institute of Technology (CSE Department), I take immense pride in the opportunities our college provides for academic and personal growth.

The much-awaited Annual Function will soon be organized, creating excitement among students as they prepare to showcase their talents while balancing exam preparations.

I thank our Principal Sir, HOD's and faculties for their unwavering support in guiding us through academics and extracurricular activities. KVIT continues to inspire students to achieve their dreams with confidence and dedication.

WARM REGARDS,
MS. HAPPY SINGH

7TH SEM CSE PROJECT PRESENTATION

A 7th-semester minor project presentation in Computer Science and Engineering showcases the culmination of technical knowledge and practical skills gained during the course. The presentation aims to demonstrate a systematic approach to solving a real-world problem using innovative technologies and methodologies.

7TH SEM MECH PROJECT PRESENTATION

A 7th-semester minor project presentation in Mechanical Engineering is an opportunity for students to showcase their practical and analytical skills by addressing a real-world mechanical challenge. The presentation highlights their ability to integrate theoretical knowledge with hands-on experience to design, analyze, and fabricate innovative solutions.

7TH SEM CIVIL PROJECT PRESENTATION

A 7th-semester minor project presentation in Civil Engineering highlights the application of technical knowledge to solve practical challenges in construction, infrastructure, or environmental management. It demonstrates students' ability to design, analyze, and propose sustainable solutions using modern engineering tools and methods.

The presentation begins with the problem statement, outlining the motivation behind the project and its relevance to real-world scenarios, such as improving structural safety, optimizing construction techniques, or addressing environmental concerns. The objectives define the specific goals, such as enhancing durability, reducing costs, or promoting sustainability.

ALUMNI TALK

On 22/11/24 KVIT Raipur , an inspiring event titled "Inspire and Illuminate Talks" was Coordinated by Dr. Pratibha Shrivastava and Mrs. Suman Verma at Krishna's Vikash Institute of Technology. The seminar featured Mr. Dhani Ram Sahu, an esteemed alumnus from the 2015 batch, who delivered an insightful session on "The Art of Decision Making". The event was graced by the presence of KVIT Principal Dr. D.N. Dewangan, along with all the Heads of Department and students. The seminar provided valuable perspectives and strategies on effective decision-making, leaving a lasting impact on all attendees.

LOSS AVERSION

Loss aversion in behavioral economics refers to a phenomenon where a real or potential loss is perceived by individuals as psychologically or emotionally more severe than an equivalent gain. For instance, the pain of losing ₹100 is often far greater than the joy gained in finding the same amount. Ex- Buy Property, Stock

Sol: Earlier a person's life is at stake

ECS ACTIVITY

On 22 November 2024, an engaging essay competition on the theme "Technology" was organized in the seminar hall of engineering college. The event aimed to encourage students to explore the multifaceted impact of technology on society and articulate their perspectives through well-crafted essays.

ONE-DAY PICNIC TOUR

The one-day picnic tour to Mangata at 01/12/2024 was a successful and enriching experience for both the students (3rd & 5th semester) and faculty members of the CSE Department. The event provided relaxation, promoted team spirit, and encouraged bonding outside the classroom setting. Such events are essential in developing a holistic approach to education, blending academic learning with personal development. Dr. Gargishankar Verma, the HOD of CSE, took care of all the arrangements for the tour and actively participated in the fun activities, enjoying the time spent with the students.

INTER COLLEGE CRICKET COMPETITION

Krishna Vikash Institute of Technology is organizing an Inter-College Cricket Competition starting on November 30, 2024. Matches will be held every Saturday, providing a platform for students to showcase their cricketing talent and foster sportsmanship. The event aims to promote teamwork, healthy competition, and camaraderie among participants from various colleges. With exciting matches and enthusiastic participation, the competition promises to be an engaging experience for players and spectators.
