MEET THE TEAM

EDITORIAL DESK

Dear Readers,

As we look back on the recent happenings at Rungta College of Engineering & Technology, we're filled with pride and excitement. Managed by Krishna's Vikash Group, our college is committed to giving students a great education and helping them grow in all aspects. This month has been really special. We're happy to share that many big companies came to our campus for job placements, and a lot of our students got good jobs with good salaries. This shows how well our college prepares students for their careers. Also, the results for our final year students came out, and we're proud to say that many students did really well.

They worked hard, and it's great to see them succeed. To help students learn more about digital resources, our NDLI club organized a program about the National Digital Library. This helps students get better at using digital tools for studying and research, which is important in today's world. We also had a fun celebration for Basant Panchami, where students and teachers came together to enjoy and celebrate our cultural traditions. And let's not forget about our teachers who are always working hard. They're always busy with research and projects to stay updated with the latest in their fields. At Rungta College of Engineering & Technology, we believe in making learning fun and inspiring. We're committed to creating a supportive environment where students and teachers can learn, grow, and succeed together.
Here's to more success and growth in the future!

WARM REGARDS,
DR. PRATIBHA SHRIVASTAVA,
PROFESSOR, MATHEMATICS,
RUNGTA COLLEGE OF ENGINEERING & TECHNOLOGY

NDLI

One Library All of India

Title : User awareness programme on National Digital Library of India & NDLI club

Date : 09/02/2024

Time : 10:30 am to 11:30 am

Objective:The user awareness program aimed to introduce participants to the National Digital Library of India (NDLI) and NDLI Club, emphasizing their importance, functionality, available content, target audience, accessibility, and differentiation from conventional search engines like Google.

To highlighted the significance of NDLI as a centralized digital library platform and emphasizing its role in providing access to a wide range of educational resources and materials, fostering learning and research endeavours.

Discussion on operational mechanism of NDLI, including its database structure and search functionalities and explaining how users can navigate through the platform to discover relevant content efficientl Discussion on available content by presenting an overview of the diverse content available on NDLI, spanning textbooks, articles, journals, research papers, and multimedia resources.

Speaker's details:

The event "User Awareness Programme on National Digital Library of India and NDLI Club" held at Rungta College of Engineering and Technology (RCET), Raipur, was a remarkable and enlightening session conducted by, Senior Outreach Manager, NDLI Club, IIT Kharagpur in a virtual mode.

BASANT PANCHAMI CELEBRATION

Saraswati puja was organized in our college, on the occasion of Basant Panchmi. The festival Basant Panchmi shows the Indian culture and tradition from several years. We have been celebrating Saraswati puja on this day. On the 14 February, Puja started in the morning at 10 a.m. The whole college and cultural hall was decorated with flowers. Basant Panchmi is a festival; on this festival we do Saraswati puja, to get the blessings from the goddess Saraswati. It is supposed that the Devi Saraswati was born on the day which is further celebrated as Basant Panchmi. Lord Saraswati is the goddess of intelligence, knowledge, education, harmony, art, and speech. Thus we worship Saraswati Devi earlier initiating any good work.

The chief guest of the event Saraswati puja was our RECT principal Dr. D.N. Dewangan sir inaugurated the event and worshiped goddess Saraswati. Whileprincipal sir and Ritesh Dewangan sir was doing Saraswati puja, everyone present at the event was stood up and started singing Saraswati vandana.
